GEORGIA PASO FINO HORSE ASSOCIATION

RECREATIONAL RIDER AND TRAIL HORSE TEST/CLINIC

Riders arrival after 1:00 pm on Friday Oct 5th.
Clinic and testing 9:00 am – 4:00 pm on Sat Oct 6th and Sun Oct 7th

Our objective is to provide a structured but fun, non-competitive program that guides you to improve your relationship with your horse and to improve you and your horse's trail riding abilities.

The PFHA Trail Horse Test Program provides a way to demonstrate your horse's ability to perform trail riding skills based on a series of tests that gauge the horse's natural ability and training against a standard of performance. This is not a competitive trail obstacle course, but a measure of your horse's abilities to complete the tasks normally performed before, during, and after a trail ride.

Limited to 12 riding participants to ensure individualized attention.

Unlimited auditors. All breeds of horses welcome.
